# Spacesavers M1, M2

The innovative design of our Spacesavers range employs state of the art materials and technology for comfort, strength and durability.

## Spacesavers Swift

The Swift is an innovative, forward facing 'tip and turn' recliner seat designed to maximise free space when stowed.

- Tested to M1
- Safe in use - only one, easy to use, tamper proof safety catch
- Integral belt
- Designed to fit all wheel arch dimensions (offside or nearside)

- No side wall brackets or fixings - all variants fixed directly to the floor
- Available as free standing

## Spacesavers Freeway

The Freeway is an elegant and highly practical solution to the demand for a single tip-up seat.

- Compliments Eagle and Condor seats
- Tested to M1 on floor and M2 on tracking

- Integral seatbelt
- Supplied as single seat only
- Complete with pedestal
- Rearward facing option
- Accepts Unwin and Köller fixings

## Spacesavers Bulkhead Flip-up seat with/without belt

Ideal for use in taxis, minibuses, crewcabs, service buses etc.
